

1st Team Sports is proud to announce the 3rd Annual X's & O's high school football coaches clinic!

Our team has attended numerous clinics as vendors and has seen, first hand, what improvements could be made to enhance a coach's experience. We've found that too many clinics have become more like big businesses focusing on moving a large number of people, regardless of their level of football (be it pee-wee or high school varsity) through watered-down classes. So we surveyed our 150 + high school football staffs and asked what THEY want and need out of their clinic classes and speakers. Most importantly, we asked them what they DON'T need or want to see. The result is a clinic that focuses ONLY on the high school football coach.

Our Philosophy:

- Put the coach's needs first by offering educational classes geared toward the high school football coach, meals and large classroom style conference rooms.

Our Goal:

- Create an affordable, educational, staff team-building, client first environment for high school football coaches.
- Offer speakers with high school coaching experience that will speak directly to the high school level.
- Offer a wide variety of classes that consist of multiple offensive and defensive systems.

What you will receive at the 1st Team Sports X's & O's clinic:

- A coach's packet which includes a shirt and portfolio.
- A classroom-style learning environment with large classrooms and tables for note taking
- Lunch Friday and Saturday, Social Friday Night @ Seacrets includes food and beverages.
- Complimentary snacks and refreshments served throughout the day.
- Speakers available during meals for questions.
- Over time room to talk with speakers or staff

The cost for the coaching clinic will be \$85 per coach if registered before 1/5/2011. If you register after 1/5/2011 the cost per coach will be \$100.

If you get a chance, THIS is the one you need to attend.” <i>Chuck Markiewicz, Arundel HS</i></p> <p>“This was one of the better clinics that our staff attended. 1st Team Sports really goes above and beyond. From the location, date, spacious meeting rooms with work tables, and quality speakers this was a great experience. I hope that this becomes a yearly event, it is a great alternative to some of the larger and less user friendly clinics.” <i>Coach Ken Lane, North Point HS</i></p> <p>“This Clinic was the most productive Football Clinic our Staff attended last year. We spent time with great coaches that understand High School Football. The audience guided the direction of the presentations and that setting made it easy to ask questions and get REAL answers, not coach speak. The Social aspect was the BEST EVER. Our staff connected with programs from many states and greatly increasing our football network.” <i>Coach Dean Swink, Tuscarora HS</i></p>	<p>Massaponax High School</p> <p>Boiling Springs High</p> <p>Osborn High School</p> <p>Liganore High School</p> <p>James Monroe High</p> <p>Seneca Valley HS</p> <p>Oakton HS</p> <p>Poly High</p> <p>Sherwood HS</p> <p>Woodgrove HS</p> <p>Huntingtown HS</p> <p>Edgewood HS</p> <p>Howard HS</p> <p>Brunswick HS</p> <p>South Lakes</p> <p>Quince Orchard</p>	<p>Eric Ludden - HFC</p> <p>Matt Heiser - HFC Defense</p> <p>Steve Schultze - HFC</p> <p>Rick Conner - HFC</p> <p>Rich Surbey - HFC</p> <p>Bob Walko - D-Line</p> <p>Joe Newman - Linebacker Play</p> <p>Roger Wren</p> <p>Chuck Oswald - O-Line</p> <p>Jerry Gordon - Defense</p> <p>Rick Snead - Strength Training</p> <p>Chris Johnson</p> <p>Dan Ritter</p> <p>Pat Foster - HFC</p> <p>Andy Hil - HFC</p> <p>Dave Mencarini - HFC</p>
